Our Skilling Partners

JAIN (Deemed-to-be University) has partnered with a few leading organizations to create innovative content for niche Electives. Our partners are well established players in the education sector and are known for their contribution in developing and delivering quality courseware. A learner will get access to both hard and soft resources including sessions from a partner's pool of faculty and trainers. The comprehensive high-quality learning content provided by our knowledge partners will enable one to advance learning, knowledge and abilities and to be skilled in the chosen Elective.

Programs Offered

Eligibility:

Pass in the (10+2) examination from State Board / CBSE / NIOS / IGCSE / IB / ICSE recognized by the State or Central Government.

Candidates who are due to appear in the (10+2) examination are also eligible to apply.

Bachelor of Business Administration (BBA)

The Bachelor of Business Administration is a three-year Degree Program designed for those wishing to embark on a professional career in management. This program will prepare you for entry-level roles in your chosen area of elective. A manager can make a huge difference in the growth and success of a company's operations. A business management program will prepare you for specific needs of a business. A study of business and inner working of an organization will give you a foundation for a successful career in business and management. This power-packed program will give you a comprehensive understanding of emerging business trends and technologies. The curriculum is designed to provide you a broad overview of all essentials of business and management and at the same time provide a deep-dive into a functional area of elective - Finance, Marketing, HRM, Analytics, International Finance and many more. The project work component provides an opportunity to use your learnings to solve or investigate a business problem. Along with functional and domain expertise, the program will also equip you with competencies and skills required to advance your career into leadership and strategic roles.
