About JAIN Online

We are JAIN Online, the e-learning platform of JAIN (Deemed-to-be University), Bangalore, founded by Dr. Chenraj Roychand, a visionary who believes without a doubt education is the superpower that can transform our lives and the future of the nation. The University functions under the wing of JAIN Group, an established education provider and entrepreneurship incubator with 30 years of credibility. Staying true to its vision, the University lays equal importance to education, entrepreneurship, research, and sports attracting thousands of students from India and worldwide every year to pursue their higher education.

Online degree programs are gaining immense popularity worldwide due to the freedom it allows learners to obtain a higher education degree from the comfort of their homes without compromising the quality of education or its outcomes.

At JAIN Online, we strive towards empowering our learners with the latest knowledge and skills in various industry domains to help design their professional lives efficiently. Our academic programs cater to learners from diverse proficiency levels and career goals and show them the most efficient and convenient way of achieving their aspirations. Our academic programs can serve as the perfect upskilling option for both novice and experienced.

Our Skilling Partners

JAIN (Deemed-to-be University) has partnered with a few leading organizations to create innovative content for niche Electives. Our partners are well established players in the education sector and are known for their contribution in developing and delivering quality courseware. A learner will get access to both hard and soft resources including sessions from a partner's pool of faculty and trainers. The comprehensive high-quality learning content provided by our knowledge partners will enable one to advance learning, knowledge and abilities and to be skilled in the chosen Elective.

Programs Offered

Master of Business Administration (MBA)

This is a Master's Level program, leading to the grant of a degree of Master of Business Administration of JAIN (Deemed-to-be University). This two-year program offers foundation courses, core courses, elective courses, and a comprehensive master thesis intermediary apart from an option to pursue a cross-functional and open elective. The core and elective courses incorporate the AICTE's model curriculum as prescribed for a full-time MBA program. The elective courses have been designed keeping in mind the industry's requirements. The offering of these elective courses right from the 2nd Semester of the program ensures a deep dive into the elective. The program is designed to provide in-depth knowledge of the chosen elective and its applications in improving business processes and decision making. The program's curriculum is intended to increase a learner's business knowledge and leadership skills thus providing a way to accelerate one's career for corporate roles in management.

Eligibility:

Pass in an Undergraduate (Bachelor) Program of a minimum duration of Three (3) years in any stream from a UGC recognized University, with a minimum aggregate of 50% or an equivalent letter/numerical grade. A relaxation of 5% shall be given to SC/ST candidates.

Candidates who are in the final semester of the Bachelor Program are also eligible to apply.
